Dear Mr. West,

On Behalf of the UDT-SEAL Association, I am pleased to offer our support for H. Con. Res. 87. The UDT-SEAL Association believes an appropriate site at the former Navy Diving Training School at the Washington Navy Yard should be provided for a monument to honor all who served in the United States Armed Forces as divers.

The Man in the Sea Memorial Monument will bring the history of those men who made the transition into the depths of the unknown and will provide our future generations a place to honor and acknowledge the past, present and future divers of our Armed Forces.

The UDT-SEAL Association fully supports and endorses this resolution and we look forward to its passage.

Sincerely,

SOCM Chuck Williams (Ret)
President
